Poet Vesta Lukei Speaks to SAC Creative Writers

Poet and author Mrs. Vesta Nickerson Lukei spoke to the evening creative writing class at SAC Thursday, March 20. The class is instructed by Miss Lota Blythe, English instructor at the college.

Problems of writing light verse and articles were discussed along with the process of getting a book of verse published. "Mild Silver and Furious Gold," a book of verse written by Mrs. Lukei will appear in the early part of May.

College Assembly Presented to AUHS

"The Boor," a one act play staged by the Santa Ana College Players, had its last performance yesterday as a troupe of SAC students traveled to Anaheim high school to present an assembly to the AUHS student body.

ASB prexy Dick Wilcox introduced the number and gave the Colonist students a short description of student life at the college.

Those presenting the play were Ron Merker, Nada Main and John Dowden.

'Gypsy Doodle' Slated For Union Tonight

Highlighting Las Gitanas traditional "Gypsy Doodle" tonight will be the gypsy costume dance from 8 to 12 in the student lounge.

Throughout the patio in the Union various game booths will add to the evening's festivities. Center attraction will be the gypsy marriage booth, presided over by mock Justice of the Peace Bill Moody. Other activities planned are a dart throw, candle shoot, and fortune telling.

Gitanas president Aurora Valles announced today that a four piece combo would provide music for the costume dance. Gingham skirts for the women and levi's for the men will be proper attire for the all stag affair. Tickets for the event may be purchased at the door. Door prizes will also be presented to those holding winning stubs at the end of the dance.

Las Gitanas committee members for the Gypsy Doodle are Donna Dragaset, Joanne Petrie, Carol Ann Heysel, Eleanor Pettis, Carolyn Campbell, Alice Schilt, Pat Williams, Karen Fife, and Aurora Valles. Advisors of the service club are Mrs. Orville Knutsen and Miss Betty McConnell.

Child's Walker To Be Presented To Hospital By AWS

Associated Women Students of Santa Ana College and Fullerton Junior College will present their traditional gift to the Orange County hospital in connection with their annual welfare project.

At a recent joint meeting with Fullerton AWS representatives it was decided to purchase a child's walker instead of the usual wheelchair, as done in previous years.

Representing Fullerton at the meeting were Miss Marguerite Waters, AWS advisor, and Miss Marjorie Wallace. Those attending from Santa Ana were Carol Ann Heysel, Joanne Petrie, Leola Lord, Mary Vernon, Mary Lewis, Marilyn Travis, Marilyn Larzelere, Alice Schilt, and Hallie Hixby.

Phi Theta Kappas To Be Initiated Tuesday in Library

The eight new members of the Santa Ana Chapter of Phi Theta Kappa, national junior college scholastic society, will be initiated Tuesday afternoon in the college library, announced scholarship chairman Edwin Force today.

Fulfill Requirements

The eight to be honored are Gary Anderson, Marvin Dearr, James Dozier, Carol Heysel, Elsie Kittlesen, Robert McDonald, Joanne Morrison, and Margaret Simpson. They were chosen recently by a faculty committee on honors and scholarships on the basis of their work at Santa Ana the past two years. Each had to fulfill the requirements of the organization, which is comparable to the Phi Beta Kappa of the universities.

Glenn to Speak

Thomas H. Glenn, head of the department of English at SAC, will be the main speaker for the event. Parts of the initiation ceremony will be read by Lota E. Blythe, Henri Lirette and Mrs. Gail Smith, of the college faculty.

Robert Farnham, post graduate engineering student and former member of Phi Theta Kappa, will preside over the meet, while Isabelle Rellstab will act as secretary.

Refreshments will be served following the ceremony to guests and parents of the Phi Theta members.

Four SAC Co-eds To Attend Convention In Los Angeles

Four SAC co-eds have been selected to attend the National Convention for Deans of Women with Miss Agnes Todd Miller which is scheduled to be held at the Biltmore Hotel starting April 30 to May 3.

The four girls, selected from the AWS cabinet board, are Carol Ann Heysel, Leola Lord, Joanne Petrie, and Marilyn Travis with Mary Lewis as alternate.

The theme selected for the meeting of the N.A.D.W. is "To Improve Human Relations" which will be discussed by women deans from all over the nation. Ruth McCarn, assistant dean of students of the University of Chicago will open the convention with an address on current topics. Various exhibits will be on display featuring the outstanding progress of women's educational programs at Mills, Purdue, and other colleges. Miss Agnes Miller will serve on the exhibits committee.

Other Santa Ana teachers to attend the convention include Miss Helen Kirkland of Santa Ana high school, Mrs. Willys Lindlaw of Willard junior high, and Miss Mary Henderson of Lathrop junior high school.

Ping-Pong Table Adds to Attraction Of Student Union

A ping-pong table was placed in the patio of the Student Union earlier this week, in an effort to provide the students of SAC with more recreational facilities.

"This table is put up on a trial basis," stated spirit commissioner Ron Merker, "but if the plan is a success and there are no complaints about broken or damaged property, more tables will be put up. Perhaps a shuffleboard can be arranged in the patio."

Ping-pong balls are on sale in the Snack Bar for 15c each, and when a student finishes using his ball, he may either sell it to another student or keep it for later use. Paddles are provided, but students can bring their own from home if they wish.

High School Seniors To Visit Campus For Visiting Day

Three hundred and twenty-five Santa Ana high school seniors will visit SAC campus April 2, announced Maurcie Gerard, Dean of Men, today.

Members of the Knights and Las Doncellas, honorary service organizations, will be hosts to the students, who will be accompanied by Robert Farrar, principal, and Clyde Cook, senior class advisor.

The group will be welcomed by the members of the two honorary clubs and taken directly to the cafeteria where they will be served a free lunch.

At one o'clock, they will be split up into groups according to their intended major. They will be accompanied by one member each from Las Doncellas and the Knights to the faculty head of the individual departments.

Conducted tours will include the business education, engineering and industrial vocations, English, drama, journalism, art, music, natural science, agriculture, men's physical education, women's physical education, social science, and homemaking departments.

The tour will run from 1:00 to 2:15 p. m., at which time they will be dismissed.

Six Executive Board Members To Attend Frisco Conference

Six members of the SAC student Executive Board will attend the California Junior College Student Government Conference which will be held in San Francisco on April 17, 18, and 19.

The delegates, who were selected by their fellow board members, are Dick Wilcox, AS President; Rose Ann Gowdy, treasurer; John Dowden, El Don editor; Alice Schilt, social commissioner; Bob Elsner, public relations commissioner; and Ronald Merker, spirit commissioner.

SAC Dean of Women, Miss Agness Todd Miller, will accompany the group.

Held Each Semester

The State conference, which is held each semester, enables representatives of the different junior colleges to discuss the various problems which arise in their schools.

All six of the delegates are active in student government at SAC. In March, they attended the Eastern Conference Student Government Meeting and the Southern California Junior College Student Government Conference.

Three Freshmen Attend

Three of Santa Ana's representatives are freshmen and will be able to put their experience to good use next year at SAC. They are Schilt, Dowden, and Elsner. The Executive Board feels that sending some freshman, as they are, will be of much more value to the college than if all of the delegates were sophomores.

'Sleep, Sleep,' Coos Rumfelt; No Sooner Said Than Done!

Paul Rumfelt, SAC natural science major, is a hypnotist as well as a magician. For practical purposes he uses the standard methods practiced by the psychologists to put people into a slumber, but Rumfelt has developed some of his own techniques.

The eighteen year old magician has given shows at the Anaheim Ebell Club, Anaheim Junior Chamber of Commerce, Stanton Lions Club, Savannah School, Freemont School, and Katella School.

His magic career began while he was a sophomore at Anahelim High School when a friend gave him a book on Magic. Rumfelt began buying tricks, studying books on the subject, and giving his friends quick exhibitions.

While looking for a book on sleight of hand and card tricks, Rumfelt ran across a book on hypnotism. After reading the book he tried to put a friend to sleep. To his delight the boy was in a deep slumber within ten minutes.

Rumfelt is particularly interested in chemistry. The native Californian plans to transfer to USC and take a pre-med course. His only hindrance might be the draft board.

While in high school he was a four letter man. Most of all he enjoyed being on the rifle team. In his senior year Rumfelt received a gold medal for his outstanding participation in athletics.

Mineral Collection On Display Now In SAC Library

Carnotite ore, which is used in the production of uranium, spotlights the mineral collection of Glenn Scriven, which is currently being shown at the SAC library.

Most of the minerals in the display case are from California, although a few are from Griqualand and the Karibib District of South West Africa, Belgian Congo, Nigeria, Norway, Switzerland, and Mexico.

Shark's teeth and vertebrae found one mile south of Irvine Lake along with fossils of fish, insects, seaweed, and leaves border the exhibit.

Polished gems and pieces of inlaid jewelry set off the display. A fragment of a meteorite in one corner of the show case adds the touch of outer space.

April 1 Set As Date For Annual Spinster Sale

The annual Spinster rummage sale has been scheduled to be held April 1st at 413 East Fourth Street in Santa Ana it was announced today by President Elsie Kittleson.

The funds raised from this project will be used for the coming traditional Spinster Spree, a spring formal dance scheduled to be held in early May.

Old books, clothing, or odds and ends will be on sale all day from 8 to 5:30 p. m. and students are urged to patronize the sale. It is also open to the public.

In charge of the program is Elsie Kittleson, with the remaining service club members working on the project.

'Cats', Take Heed; Rendezvous Room To Open Doors Soon

In past years, dating back to the late '20's, Balboa has been "the place to go" during Easter Vacation. One of the main reasons for Balboa's popularity has been the Rendezvous Ballroom, which has featured some of the leading dance bands and vocalists in the country.

This year the Rendezvous will open the season under new management and will feature a completely redecorated interior.

Opening night is Saturday, April 5, and the orchestra of Billy May will be the attraction, appearing for one night only. They are commonly referred to as "The Most Exciting Dance Band of the Decade."

Playing the following week, April 9, 10, 11, 12, will be "The World's Greatest Saxophonist," Jimmy Dorsey and his orchestra.

Dorsey has the reputation of having one of the leading dance bands in the country and will be the regular Easter Week attraction.

Renowned Author Does It Again With Latest Novel "Born of Those Years"

By ORVILLE HOPKINS

Perry Burgess, author of "Who Walk Alone," a story written twelve years ago, that will pluck every string of emotion within one, has done it again with his most recent book, "Born of Those Years."

He has portrayed the inspirational adventure story of one man's heroic and rewarding crusade against leprosy, and a lifetime devoted to helping others help themselves.

Society Punished Lepers

Horror and amazement are aroused in this stirring account. The record of man's inhumanity to man is a long one, but the punishment that society has inflicted upon lepers, whose disease is only mildly infectious, is apparently without equal.

In this book, fully illustrated with photographs, one will come to know Wilfred Grenfell on the famous mission to rocky Labrador and Big Joe Sweeney, the Maryknoll priest who built a shelter for his people in a Chinese graveyard when no other place offered.

Also one will meet Bishop Lapp, a Mennonite missionary riding alon the dusty roads of India and the Cin derella of children's play creepin back to her cot in a leprosarium, an many others, in all parts of the world

His book is not so much an auto biography as it is a portrait galler of strangely magnificent workers in tragically neglected field.

In Dangerous Situations

Burgess and his wife went repeat edly into dangerous situations, i China and elsewhere, in order to se everything that could be seen. On time they were genuinely frightened in a leper village in India, when th king of the beggars turned on ther and hundreds of lepers cut them of in a *cul-de-sac*.

Marine Officer Training Offers Draft Deferment

A 1D draft classification will be given to the men students who signed up last week for the officer training in the United States Marines, with the Dean of Men Maurice Gerard or Coaches John Ward and Bill Cook.

The candidates will be deferred from the draft until they graduate from a four year school, Coach Ward stated. Candidates must be able to meet the same physical standards as for entrance in the United States Naval Academy.

Candidates must keep up their grades while attending school, and upon graduation he must receive a bachelor's degree in a field other than medicine, dentistry or theology.

The six weeks is called the Junior Course and emphasis is put upon tactics of squad and platoon. Weapon instructions and firing constitute an important part of the course.

The Senior Course inclues instruction in crew-served weapons, with emphasis on the tactics and techniques of the platoon and company. The candidate will receive a Sergeant's rank and pay of $176.

If the candidate at any time fails to meet the requirements and standards that he is supposed to, he will be discharged and subject to the draft.

For further information concerning the officer training program see Mr. Gerard, Coach Ward, Coach Cook or write a letter to Officer Procurement Officer, 751 South Figueroa Street, Los Angeles 17.

Don Hart, SAC Grad Tells of South Seas At Tattler Meeting

Speaking at Wednesday night's meeting of the Tavern Tattlers, SAC literary organization, was Don Hart, former Tatler member and SAC graduate who recently has been working for UNESCO in the Philippines. Hart, who is now working on his doctor's dissertation at Yale, spoke of his experiences in the undeveloped areas of the Pacific.

Worked for UN

Hart worked for several years with the UN in the islands and while he was there he wrote books and articles and collected literature from the Philippines. He has given this collection of island literature and books that he had started but never finished to the SAC library for student use. In addition to writing articles he has also translated several books into English from the Philippine dialects.

Progress of the *Tavern Post*, student literary publication sponsored by the Tattlers was also discussed. Said Harry Hover, 1952 editor for the magazine "Last Friday was the deadline for student contributions. Progress on the *Post* is going well and we hope to turn out a good magazine this year."

To be included in this year's *Post* will be "The Nation of the Bears" by Recardo Escamilla, a chapter of a novel he hopes to publish in the near future.

Successful Season Judged as 225 See College Play

SAC college players closed a successful season with "A Bill of Divorcement," the last of the three dramas which were presented this term.

C. L. Ford, head of the drama department, stated "I personally consider "A Bill of Divorcement" a financial success and I was pleased to see several new faces in the cast. The drama productions are for the whole student body, I hope that more will participate in the future."

Ninety-six students attended the play during the five night run, which is the largest student attendance this year. The total number to attend the play tallied to 225.

Program cover for this production was done by George Bartell and is an original drawing created by reading the script.

"A Bill of Divorcement is an English play written by Clemence Dane. Leading the cast were Dick Wilcox, who has appeared in proveious productions, Alice Schilt, a newcomer rendered a convincing performance as Margaret Fairfield, Rose Ann Gowdy, gave an authentic performance as the tragic Sidney. Completing the main characters was Bob Merker's performance as Kit Pumphrey.

Political Science Classes Hear Candidates Speak

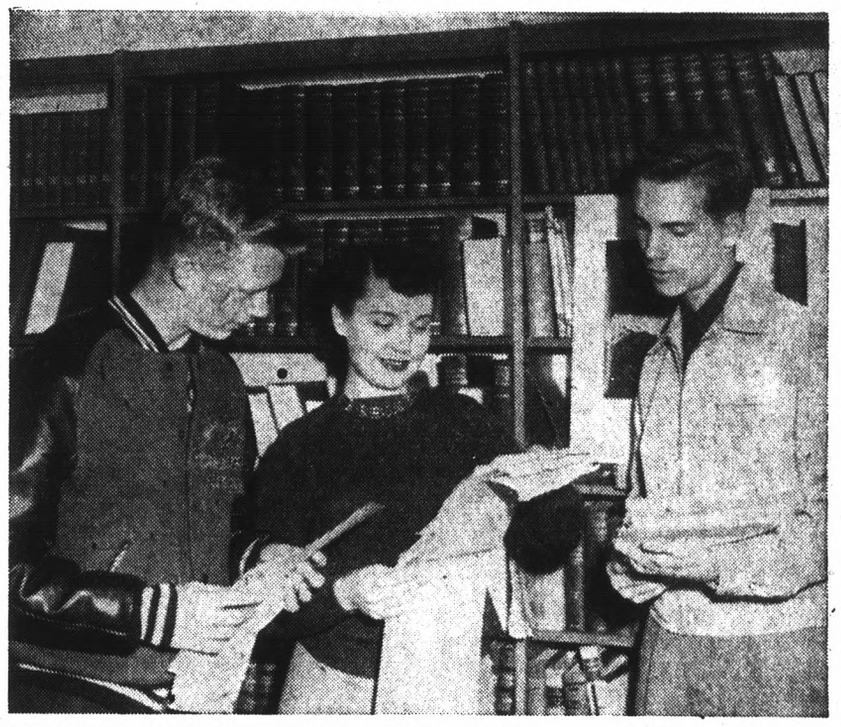

David Farrell, Santa Ana resident and candidate for Congress, was the first of a proposed series of speakers scheduled to address Mr. Ernest Crain's morning history classes.

These classes are currently hearing candidates from south Orange County and north San Diego county congressional districts. These speakers are planned to illustrate to the college student a practical example of the democratic process of election. Miss Bonnie Tipton and Jerry Diemer made arrangements for Mr. Farrell to address the class.

In his speech to the Santa Ana College students Mr. Farrell outlined his political platform. If elected to Congress he stated that he would fight to reduce federal spending, restore individual freedom and state's rights, stop direct tax on income, and end government competition with private business. He also stated that he would like to take part in closing socialistic bureaus and restoring Christian principles to government.

In addition to his campaign speech he also told students to take part in their government by always being sure to vote, and to protect "the freedom to develop by yourself." He advised students to "look into platform, background, and qualifications of your candidates."

He concluded his speech by pointing out to students that "this is a time of crisis and you must fight for the candidate you believe in." Following the speech there was a ten minute question-answer period.

ON THE FAIRWAY — Ronnie Miller, SAC's promising young golfer is pictured in one of his frequent workouts on the links. Miller has become one of the finest young golfers in the country, and hopes to become a professional some day.

Promising Young Golfer Hopes To Become Pro

By BOB ELSNER

Although not many people realize it, Santa Ana College has a very promising golfer in its enrollment. He is 18 year old freshman, Ronnie Miller.

The young Santa Anan started playing golf when he was a 14 year old sophomore in high school, and he has rapidly become one of the finest young players in the country. He was introduced to the sport by his father, who is an excellent golfer.

In his junior year of high school, young Miller captured the Orange County Junior Championship and won the trophy again in 1951.

Being the 3rd-best qualifier from California to go to the National Jr. Golf Tournament was a big thrill for Miller, and he received a trophy for earning such a high rating. He competed in the Nationals at Durham, North Carolina last summer and earned a medal for his participation.

Miller's most recent trophy was earned when he fired a two-under-par 70, to sweep the Red Hill Junior Championship last December. The runner-up in this tourney ,with a par 72, was Montebello's Tommy Jacobs, who wo nthe National Junior title at Durham last summer.

When asked what his ambition is, Miller quickly replied, "To be a pro golfer." He attributes most of his knowledge of the game to two professionals, Jay Nunnally and Art Roux, who have helped him during his short, but interesting career. He works-out on an average of four days per wek during the season. The best score Miller ever shot was a 68, which he has done three times, all at the Willowick course in Santa Ana. At the famous Riviera Country Club in Los Angeles, he fired a 72.

Voso Homers As Dons Top Riverside 12-5

Exploding for three big innings, Santa Ana College's baseball team routed Rivreside's Tigers 12 to 5 last Friday for their fourth consecutive triumph in as many games. The contest was played at Memorial Park.

Renne Goes Route

Carmelo Renne went the distance for the Dons, allowing seven hits and striking out the same number. He issued only thre bases on balls.

Riverside was never in contention. A 3-run Don outburst in the third inning, coupled with single tallies in the second and fourth frames, gave SAC a 5- 0margin before the inlanders broke into the scoring column with two runs in the sixth.

Voso Pokes Homer

Joe Voso shattered any hope the Bengals had of closing the gap by smashing a home run with two on base in the home half of the sixth. The locals added another tally as the score mounted to 9-2.

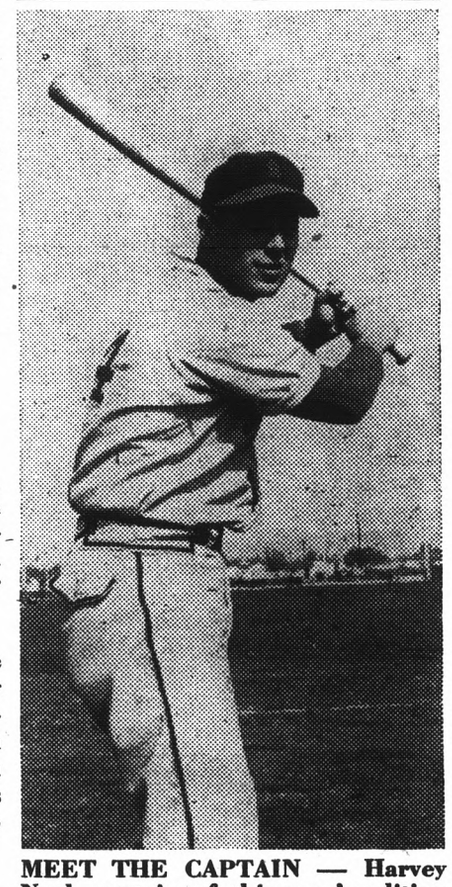

One inning later it became 12-2, but Riverside countered with three runs in the eighth stanza to end the scoring.

Milt Wikert, with a triple, and John Rock and Jim Hinkle, each with a double, collected the only extra base blows by the Dons besides Voso's four-ply swat.

Once-Beaten Don Netmen Face Fullerton in Conference Match

With a record of six wins and only one setback, Coach Maurice Gerard's tennis team travels to Fullerton on Monday, March 31, for an Eastern Conference match.

The Dons' lone defeat this season was at the hands of the defending conference champs, San Bernardino. Although the score, 6½-2½, was no close count, it was no runaway for the Indians. Almost every match went right up to the wire, with the Dons weakening in the late sets.

San Bernardino has a complete squad of lettermen from the 1951 club this year.

"This year's squad is by far, the best team that I have coached here at Santa Ana (since 1947)," stated Coach Gerard. "It's too bad that we have such a good team and yet aren't on top. A situation like this doesn't happen very often and in most years this team would easily take the title."

Next Wednesday, the netmen travel to Long Beach City College for a second go this year with the Vikings. The Dons beat them earlier this year, 6-3.

Don Thinclads Face Undefeated Mt. San Antonio Next Friday

Coach John Ward's thinclads will travel to Mount San Antonio College next Friday to face the powerful, undefeated Mounties in a dual meet,

WARDMEN SUFFER SECOND SETBACK

Don thinclads suffered their second defeat in conference meets last Friday when Fullerton outclassed El Don 77-54 at Fullerton.

El Don had previously been beaten by Riverside. Riverside came from behind to win the relay and Coach John Ward's tracksters 67 5/6 to 63 1/6 at Riverside.

Duane Gustafson was the iron man for the Dons in their mets, piling up thirteen points in each meet. At Riverside Gustafson won the discus with a throw of 136 feet. He won the javelin by heaving it 165 feet, and he placed second to Riverside's Virgil Elwess in the shot-put. At Fullerton Gustafson won the discus, shot, and placed second to Don Frank Freese who threw th ejavelin 169 feet 4 inches.

The Dons took a clean sweep in the 220 yard low hurdles at Riverside and the javelin at Fullerton. Ron Dozier, Al Fowler and Del Bromell combined to take the 220 low hurdles at Riverside with Dozier winning in 25.9 seconds. Jerry Schoonover placed behind Freese and Gustafson in the javelin at Fullerton.

Fullerton's victory over the Dons put them in a three way tie for first place in the conference with Mount San Antonio and Chaffey who also won their second meets of the season. Mt. San Antonio bested Riverside 90½ to 40½ and Chaffey subdued San Bernardino 83-48.

The meet was originally scheduled for Santa Ana, but the rain forced the workmen who were working on the track to delay their finishing up and the meet was rescheduled for Mount San Antonio.

Last week the Mounties defeated Riverside 90½-40½ in a dual meet. Riverside had previously beaten the Dons 67 5/6 - 63 1/6 at Riverside.

Mount San Antonio is currently tied for first place in the Eastern Conference with Fullerton and Chaffey. All are undefeated.

The Dons should hold their own in the field events and the hurdles, but their lacking depth in the sprints and distances make Mt. San Antonio a pre-meet favorite.

Don entrants in each are as follows:

100 yard dash — Rel Schmitt, Al Fowler, Bob Smith.

220 yard dash — Chad Burton, Schmitt, Smith.

440 yard dash—Jack Wilcox, Burton.

880 yard run—Jack Lucas.

Mile—Ralph Krueger, George Harris.

WAA NEWS

Winding up the volleyball season with a trip to Compton for the annual playday, the WAA volleyball first team finished with 9 wins, 1 tie and 5 losses; the second team with 9 wins, and no losses.

Fulerton J.C. met the WAA squad here on March 19. The first game for the first team wound up a tie, and the second game was in favor of Fullerton, 26-20. The second team won both of their games, 61-14 and 44-14.

The Compton playday, which was held March 21, saw a combined first and second team. The first game, against San Bernardino, ended a close 30-29, in favor of San Bernardino. The second match was a victory for the SAC team, winding up 49-13.

Softball, the next sport to be played by the WAA members, shows a full schedule of matches, with a tentative game with L. A. Valley J. C. being the first. This game is to be played April 2, on campus.

Don Horsehiders Travel to Fullerton

Santa Ana College's baseball team, pacing the pack in the race for the Eastern Conference crown, goes after their fifth win in as many starts today against Fullerton on the Hornets' diamond.

Fullerton usually has one of the better teams in the league, but so far this season the Hornets have had little success. They were whipped in two practice tilts with Long Beach CC, and at this writing Fullerton has come out on the short end of two conference outings.

The Dons, defending champions, have looked good against strong competition and have the potential to win the title. Although the Hornets don't figure to give the locals too much trouble, this is SAC's first game away from home and the Dons also need a victory to stay ahead of San Bernardino.

The Indians are undefeated in two circuit contests and along with Orange Coast have the best chance of unseating SAC.

Co-Ed Volleyball Tourney Underway

A co-ed Volleyball tournament, sponsored by the WAA is to begin a series of "battles" on March 31.

Each team is to consist of three boys and three girls. Anyone on campus is invited to gather a team for himself or else become a member of a team.

Games will be played on Monday, Wednesday and Friday at noon on the local volleyball courts.

Those who are not participating in the event are urged by Miss Rellstab and WAA members, to go and root for the team they want to win, and help to make it a success.

LATE SPORTS NEWS

In a game which saw 19 base hits, the El Toro Marines edged the Don reserves by a score of 10 to 9 last Tuesday at Memorial Park.

Earlier in the season the Marines set back the Don Regular, by a score of 2-1.
